STATEWIDE CURRENT SITUATION:

On June 30, 2023, Governor Abbott [announced](#) that the Texas Health and Human Services Commission (HHSC) received federal approval for Supplemental Nutrition Assistance Program (SNAP) recipients in Motley County to apply for replacement benefits for food lost or destroyed from severe weather on June 21.

Eligible Motley County residents can request replacement food benefits by dialing 2-1-1 and selecting option 8, or by downloading [Form H1855](#) (Affidavit for Nonreceipt or Destroyed SNAP Benefits) on the HHSC website. Completed forms should be mailed to Texas Health and Human Services Commission, P.O. Box 149027, Austin, TX, 78714-9027, or faxed to 1-877-447-2839.

On June 29, 2023, Governor Abbott [renewed the proclamation](#) declaring a disaster in Camp, Cass, Fisher, Franklin, Gregg, Harrison, Hopkins, Jones, Kent, Leon, Marion, Montgomery, Morris, Motley, Nolan, Ochiltree, Panola, Shelby, Smith, Stonewall, Titus, Upshur, and Wood Counties.

On June 23, Governor Abbott [updated the state's disaster declaration](#) to include additional Texas communities impacted by damage to homes and businesses caused by severe weather. This disaster declaration will continue to support response and recovery efforts by local and state officials in 23 Texas counties, including two added on June 23: Montgomery and Leon counties.

In response to a severe weather pattern that began in late May and has brought heavy rainfall, flash flooding, damaging wind, large hail, and tornadoes to

communities across the state, the Texas State Operations Center remains at Level II (Escalated Response) at the Governor's direction to support requests for assistance from local officials.

Flooding began to impact counties in the Texas Panhandle, High Plains, and South Plains on May 27, causing widespread damage throughout the region. Governor Abbott [issued a disaster declaration](#) to address the impacts of flood damage to homes, businesses, and the agriculture industry. The Governor also [directed TDEM to deploy](#) the following state emergency response resources to support flood response operations:

- **Texas A&M Engineering Extension Service (Texas A&M Task Force 1):** 2 Swiftwater Boat Squads.
- **Texas A&M Forest Service:** 2 Texas Intrastate Fire Mutual Aid System Strike Teams comprised of High-Profile Vehicles and 2 Boat Teams. Texas Intrastate Fire Mutual Aid System Strike Teams, tactical water tenders, Incident Management Teams to support local firefighting capability and points of distribution and Saw Crews.
- **Texas Department of Transportation:** Personnel to assist with traffic control and road closures. Personnel and heavy equipment for roadway debris clearing, traffic control, and sign and signal repairs.
- **Texas Parks and Wildlife:** Game Wardens and Boat Squads assisting with supply delivery and security in affected areas.
- **Texas Department of Public Safety:** Helicopters with hoist capability. Texas Highway Patrol is providing security at points of distribution and Driver License Disaster Recovery Unit is providing driver licenses at the Community Resource Center in Perryton.
- **Texas A&M Engineering Extension Service (Public Works Response Team):** Personnel to support flood pump operations. Personnel and equipment to support utility, water, and wastewater treatment needs, support electricity infrastructure repair efforts, and operate the state resource staging area in Perryton.
- **Texas National Guard:** Personnel and high-profile vehicles for movement of emergency supplies and to support points of distribution and resource staging areas. (2) Ground Transportation Platoons with High Profile Vehicles.
- **Texas Commission on Environmental Quality:** Air/water/wastewater monitoring.
- **Texas Animal Health Commission:** Personnel to provide livestock support.

This weather pattern continued to impact the state, as severe thunderstorms brought large hail, damaging wind, and tornadoes to multiple Texas communities over the past few weeks. Governor Abbott directed TDEM to [deploy](#) state emergency response assets to the town of Perryton immediately following a devastating tornado in Northwest Texas. Additionally, the Governor [issued](#) a state disaster declaration for communities in Northwest and Northeast Texas impacted by damaging winds and severe storms that caused significant damage to electricity infrastructure. On Saturday, following severe storms and tornadoes in Ochiltree and Cass counties, Governor Abbott [held a briefing with state and local officials in Perryton](#) where he provided an update on the state's ongoing response and recovery efforts.

On June 18, the Governor [provided an update](#) on the state's ongoing response to severe storms. Governor Abbott [updated the state's disaster declaration on Monday](#) to add East Texas communities that suffered severe weather impacts and significant damage to electric infrastructure across the region, as local electric providers worked around the clock to restore power. Additional assets were deployed on Wednesday, and additional counties [were added to the disaster declaration](#) as impacts of the severe weather continued. Following severe storms and tornadoes causing damage to Matador and counties in the South Plains and Big Country regions, the Governor [directed TDEM to mobilize](#) additional response and recovery resources, and [he added six Texas counties](#) to the disaster declaration yesterday.

The following state resources remain engaged to support severe weather response and recovery operations across the state:

- **Texas Division of Emergency Management:** Emergency management personnel to support local emergency operations centers, food storage and hot meal distribution, and to coordinate the establishment of Points of Distribution (PODs) across the impacted counties for members of the community to pick up water, ice, and Meals Ready to Eat (MREs); Operations Technology personnel to support resource needs; Response and Recovery personnel to conduct damage assessments and coordinate requests for assistance; activated state disaster contracts for emergency resource transportation and fuel for generators; coordination of cellular connectivity for first responder communications; State Mass Care Coordination; base camp operations to house responding crews; and a resource staging area to support impacted jurisdictions.
- **Texas Department of State Health Services (Texas Emergency Medical Task Force):** Mobile Medical Unit to support local hospital operations, Medical Incident Support Teams, ambulance buses, and ambulances supporting local hospitals, nursing homes, and emergency medical services.
- **Texas Health and Human Services Commission:** Utilizing contracts for local ice and water needs.

- **Texas A&M Agrilife Extension Service:** Disaster Assessment and Recovery Agents to assist with damage assessments and County Extension Agents supporting disaster needs assessments.
- **Public Utility Commission of Texas:** Working with utility providers to send additional crews to impacted areas to repair damaged electric infrastructure.
- **Texas A&M Veterinary Emergency Team:** Providing support to local veterinary services in impacted communities.

Last week, the Governor directed TDEM to request joint disaster damage assessments with the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA) to determine the state's eligibility for federal disaster assistance for Texans whose properties were affected by flooding and severe weather. These damage assessments are in process and state personnel are working alongside federal and local response and recovery personnel to quickly determine whether these damages meet the federal threshold requirements for various forms of federal disaster assistance for impacted individuals and communities. Impacted Texans are encouraged to report storm damage using TDEM's [Individual State of Texas Assessment Tool \(iSTAT\)](#) self-reporting damage survey to assist emergency management officials identify resource needs and determine the state's eligibility for various forms of federal disaster assistance. The survey is available in English and Spanish online at damage.tdem.texas.gov.

Additionally, with another round of severe storms in the forecast for the northern part of the state today, Texans are encouraged to remain weather aware and monitor local weather reports.

Extreme heat remains an ongoing threat, and Texans are urged to implement measures to stay safe in triple-digit temperatures. A list of cooling centers opened by local officials is available at tdem.texas.gov/cool.
